Case No. 3:23-mj-99

Filed Under Seal

**AFFIDAVIT IN SUPPORT OF
AN APPLICATION FOR A SEARCH WARRANT**

I, **Joseph L. Rossiter**, being first duly sworn, hereby depose and state as follows:

1. I am a United States Postal Inspector and have been since May 2016. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the illicit use of the United States Mails in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").
2. Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Criminal Proceeds. Additionally, as a result of prior investigations, law enforcement training, and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a package may contain Drugs and/or Criminal Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery

address, the package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

3. Based on information received from the Springfield Police Department, 1801 Warder St, Springfield, OH 45503, is an address of suspected activity involving illegal narcotics. On March 20, 2023, Postal Inspectors intercepted a package (hereinafter “the Package”) at the Cincinnati Network Distribution Center (NDC). The Package is a Priority Mail Large Flat Rate box, bearing tracking number 9505510696823074544328, postmarked March 15, 2023, with the following address information:

Sender: Adrienne Worthington
2918 Minnesota Ave SE
Washington DC 20019

Addressee: Frank Bush
1801 Warder St
Springfield Ohio
45503

I also observed an excessive amount of taping upon the Package.

4. I performed a check in the CLEAR database for the addressee’s information on the Package of “Frank Bush 1801 Warder St Springfield Ohio 45503.” CLEAR is a law enforcement database that is used as a tool by investigators designed to link subjects to a particular address. According to CLEAR, there was a “Frank Bush” associated with 1801 Warder St, Springfield, OH 45503, in June 2022; however, it is currently associated with a different address.

5. I also performed a check in CLEAR for the sender’s information listed on the Package: “Adrienne Worthington 2918 Minnesota Ave SE Washington DC 20019.” According to

CLEAR, there is no "Adrienne Worthington" associated with 2918 Minnesota Ave SE, Washington, D.C. 20019.

6. On March 20, 2023, at my request, Newport Police Department Officer Chris White conducted a narcotics-detection canine "free air" check of the outside of the Package. I was present during said check. The Package was placed in a controlled area and presented to narcotics-detection canine, "Dixon." As set forth in the attached affidavit of Officer White, "Dixon" alerted positively for the presence or odor of a narcotic or other controlled substance. "Dixon" is a trained and certified in the detection of the presence or odor of narcotics.

7. Based on my prior law enforcement training and experience as a United States Postal Inspector, the Package's address information, including (i) no known association between the sender and return address, (ii) no known current association between the addressee and recipient address, and (iii) the positive alert of the narcotics-detection canine is indicative of, and consistent with Drugs and/or Proceeds being present in the Package.

Therefore, I respectfully request a search warrant be issued authorizing the opening of the Package.

Further, your affiant sayeth naught.

Respectfully submitted,

Joseph L. Rossiter
Postal Inspector
United States Postal Inspection Service

On 3/20/23 at the request of Postal Inspector ROSSITER, I responded to the Niky Strike Force, where "Dixon" did alert to and indicate upon: [describe item]
